In the article, “L-4F Alters Hyperlipidemic (But Not Healthy) Mouse Plasma to Reduce Platelet Aggregation” by Buga et al, which appeared in the February 2010 issue of the journal (Arterioscler Thromb Vasc Biol. 2010;30:283–289; DOI: 10.1161/ATVBAHA.109.200162), the publisher omitted an important correction from the final published version. On page 284, right column, 1st paragraph under Results, lines 4 and 8, “. . .7.56* mM” should have appeared as “. . .7.56* μM” and “. . .685** mg/mL” should have appeared as “. . .685** μg/mL,” respectively.

The online version has been corrected.

The publisher sincerely regrets the error.
