

**Publishing Costs, By Type of Agreement**  
**Copyright, Licensing, Open Access, and the AHA/ASA Journals**

Agreement Type*	Base Cost	Cost of Additional Pages	Cost of Color
<b>AHA Copyright Transfer Agreement</b> <b>(print + online publication)</b>	\$70 per page (see chart for specific word and page limits per journal)	See chart for specific word and page limits per journal	\$653 per page
<b>AHA Copyright Transfer Agreement</b> <b>(online-only publication)</b>	\$35 per page <i>(ATVB, Circulation, Circulation Research, Hypertension, Stroke )</i>  \$70 per page (6 <i>Circulation</i> -branded Journals)	See chart for specific word and page limits per journal	NA
<b>AHA License Agreement—CC-BY-NC-ND</b> Non-Commercial and No Modifications or Adaptations (Creative Commons Attribution Non-Commercial-NoDerivs License) <i>This license only allows others to download your works and share them with others as long as they credit you, but they cannot change them in any way or use them commercially.</i>	\$3,200 flat fee (article publication charge)	NA	NA
<b>AHA License Agreement—CC-BY</b> Creative Commons Attribution License <b>Note that authors funded by RCUK or Wellcome Trust may choose the CC-BY license if they agree to pay the article publication charge (APC) and commercial reuse of the article isn't a factor.</b> <i>The license lets other distribute, remix, tweak, and build on your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered. Recommended for maximum dissemination and use of licensed materials.</i>	\$4,700 flat fee (article publication charge)	NA	NA
<b>AHA License Agreement—CC-BY-NC</b> Non-Commercial (Creative Commons Attribution Non-Commercial License) <b>This license is only available to authors funded by the RCUK or Wellcome Trust.</b> Authors funded by RCUK or Wellcome Trust should choose the CC-BY-NC license if they do not agree to pay the article publication charge (APC; instead, page, color, and additional word/page charges would apply) or they would like to limit the commercial reuse of their content. <i>This license lets others remix, tweak, and build on your work noncommercially and, although their new works must also acknowledge you and be noncommercial, they do not have to license their derivative works on the same terms.</i>	Same as AHA Copyright, either print+online or online only	Same as AHA Copyright, either print+online or online only	Same as AHA Copyright, either print+online or online only

\*JAHA – *Journal of the American Heart Association*, the AHA/ASA's Open Access journal, has separate article publication charges. Refer to <http://jaha.ahajournals.org/site/misc/pubcharges.xhtml>.

A detailed informational document about copyright, licensing (via the Creative Commons licenses), and Open Access for the American Heart Association/American Stroke Association journals is available at: <http://www.ahajournals.org/site/openaccess>.
