

**Quick Reference Guide Comparing the AHA Licensing Agreements  
Copyright, Licensing, Open Access, and the AHA/ASA Journals**

Type of Agreement	Reader Reuse of Articles	Reader Access of Articles
Creative Commons Attribution Non-Commercial-NoDerivs License (CC-BY-NC-ND)	<ul style="list-style-type: none"> <li>Only allows others to download your works and share them with others as long as they credit you.</li> <li>Cannot change them in any way or use them commercially.</li> </ul> <p><a href="http://creativecommons.org/licenses/by-nc-nd/4.0/">http://creativecommons.org/licenses/by-nc-nd/4.0/</a></p>	<ul style="list-style-type: none"> <li>Freely available to readers as soon as it's published in an AHA/ASA journal (no AHA membership or subscription is required to access it).</li> <li>Designated Open Access on publication</li> </ul>
Creative Commons Attribution License (CC-BY)	<ul style="list-style-type: none"> <li>Lets others distribute, remix, tweak, and build on your work, even commercially, as long as they credit you for the original creation.</li> <li>Most accommodating of licenses offered.</li> <li>Recommended for maximum dissemination and use of licensed materials.</li> <li>Note that authors funded by RCUK or Wellcome Trust may choose the CC-BY license if they agree to pay the article publication charge (APC) and commercial reuse of the article isn't a factor.</li> </ul> <p><a href="http://www.rcuk.ac.uk/research/openaccess/policy">http://www.rcuk.ac.uk/research/openaccess/policy</a></p> <p><a href="http://creativecommons.org/licenses/by/4.0/">http://creativecommons.org/licenses/by/4.0/</a></p>	<ul style="list-style-type: none"> <li>Freely available to readers as soon as it's published in an AHA/ASA journal (no AHA membership or subscription is required to access it).</li> <li>Designated Open Access on publication</li> </ul>
Creative Commons Attribution Non-Commercial License (CC-BY-NC)	<ul style="list-style-type: none"> <li>Lets others remix, tweak, and build on your work noncommercially.</li> <li>Although their new works must also acknowledge you and be noncommercial, they do not have to license their derivative works on the same terms.</li> <li>Note that authors funded by RCUK or Wellcome Trust should choose the CC-BY-NC license if they do not agree to pay the APC (instead, page, color, and additional word/page charges would apply) or they would like to limit the commercial reuse of their content.</li> </ul> <p><a href="http://www.rcuk.ac.uk/research/openaccess/policy">http://www.rcuk.ac.uk/research/openaccess/policy</a></p> <p><a href="http://creativecommons.org/licenses/by-nc/4.0/">http://creativecommons.org/licenses/by-nc/4.0/</a></p>	<ul style="list-style-type: none"> <li>Access for readers is limited to AHA members or subscribers for the first 6 or 12 months after publication in an AHA/ASA journal.</li> <li>Designated Open Access once access is made freely available to all readers.</li> </ul>

A detailed informational document about copyright, licensing (via the Creative Commons licenses), and Open Access for the American Heart Association/American Stroke Association journals is available at:
